

## **WATERTOWN POLICE DEPARTMENT**

EDWARD P. DEVEAU  
CHIEF OF POLICE

To the Neighbors of Howe Park,

With the warmer weather fast approaching, the officers of the Watertown Police Department assigned to your neighborhood realize that you will likely notice an increased activity level in the area of Howe Park. As in recent years, officers will be making frequent patrols of your neighborhood and the park so as to maintain the quality of life for your neighborhood and the playground.

Last summer, concerns were brought to the officer's attention regarding issues of littering, noise disturbances and vandalism. These issues can have a negative impact on your neighborhood, which is something the Watertown Police Department takes very seriously.

As a neighbor of Howe Park, we are counting on your assistance. If you make observations that you feel should be brought to the attention of the Police Department, please do not hesitate to contact us. We also hope that you will feel comfortable approaching the officers you see on patrol in your neighborhood.

Additionally, we would like to make you aware that the Department web site has been recently updated. On our web site you will find additional information about the officers that work in your neighborhood, as well as the means of contacting them at their e-mail addresses. Visit the web site at [www.watertownpd.org](http://www.watertownpd.org).

Thank you for your cooperation. We look forward to working with you.
